

Partner in Project BGAN's Ministry

Project BGAN is an evangelical interdenominational Christian network ministry. Its goal is to facilitate the mobilization of Ethnic Asian Churches in North America for world missions. Our organization centers around four focal points that encompass promoting missions awareness, providing missions resources, assisting in leadership ministry development, and providing education and training on stewardship.

Project BGAN is a faith-based ministry. The vast majority of the people of Project volunteer their time, energy, and their resources to assist in the development of our ministries. If you feel that the Lord has burdened your heart to join in our ministry, we welcome you to join our team.

There are three different opportunities in joining as a Partner of Project BGAN:

- Join as a **Prayer Partner**: As a Prayer Partner, you would commit to praying for our ministry and special events, issues and concerns as they arise. You will receive regular mail or email communication regarding requests for prayer, and may occasionally meet for group prayer sessions.
- Join as a **Support Partner**. As a Support Partner, you would be pledging to support our ministry financially through a one-time donation, an annual donation, a monthly donation, or on an "as needed" basis. Project BGAN is a 501(c)(3) tax exempt organization. All donations are tax deductible. Upon making a contribution, a donation receipt will be mailed to you for your tax records.
- Join as a **Ministry Partner**. As a Ministry Partner, you would be pledging to commit your time, your skills, and your talents to assist in the development of our ministry. Let us know of your special skills and interests!
